Sponsor Registration Information

This letter is to introduce you to Redstone's 3rd Annual Motorcycle Rally. This fun-filled event, scheduled for the last weekend in June 2012, will include plenty of Food, Music and Riding. The event will benefit **PROJECT SANCTUARY**, a 501(c)(3) non-profit organization whose mission is to provide therapeutic, curative, supportive and recreational activities to veterans, active military personnel, their spouses and children in a leisure environment. Their Recreational Therapy and supportive environment offer a constructive and unique way for our nation's heroes to reconnect with loved ones and readjust to life at home.

This year's Rally will be filled with activities for everyone from laid back fishing on the Crystal River to Hardcore riding on the Scenic West Elk Loop. There will be; a cash prize; 100+ mile Poker Run without a single traffic light; Live music at two separate venues; A Bike Show; Vending and much, much more.

The Redstone Rally Coordinators are offering opportunities for you to Sponsor this important charity, and for Vendors, the opportunity to display their products and services. We would like to encourage you to consider the opportunity to promote your business while helping out in a meaningful way.

We thank you in advance for helping to make this event a huge success for our community and visitors. Please join us for the fun and activities June 29th through July 1st, 2012.
